

APRIL 1ST – 10TH, 2023 GROUP OF 52 TRAVELLERS

Our experience with Jack and Sports Tours Europe was excellent. Our hockey team traveled by bus through Germany, Austria and Czechia playing multiple exhibition games and then a tournament in Prague. We got to see some amazing sights and play in some very cool rinks.

The bus, hotels, games, sightseeing and meals were all coordinated by Jack which made the 10 days seamless. Jack and Jouni were with us every step of the way and were amazing tour guides. The trip was unforgettable and we are already planning one for our younger son's team in a couple of years.

Thank you Jack!!
