

MARKHAM ISLANDERS BANTAM AA HOCKEY TEAM

Jack,

I wanted to take a moment on behalf of the Markham Islanders Bantam AA Hockey team to thank you and your organization for our European hockey tour of Germany, Switzerland and Italy, it was a trip that we will never forget. From the moment we arrived to our departure everything went as planned. The games were all on time, the level of competition appropriate and the accommodations and meals terrific! The team will remember the great game in Mannheim, the New Years Eve snowball fight in Interlaken or the "Blue Dream" Finally Jack the passion you put into the tour being a success did not go unnoticed by the entire team. You went out of you way on several occasions to make sure everyone had a great time. You certainly are a friend of the Markham Islanders and the GTHL. If I can be of any help or if a team is looking for any information please do not hesitate to call.

Thanks

Jack Hewitt
