Dear Jack and Christoffer:

As a first time representative on an international trip with The Markham Majors Pee wee Team, I was very impressed with the hard work both you and Christoffer (BooBoo) put into organizing all the hotels, meals and bus travel required to transport 50 plus people around Germany and Switzerland. The teams were evenly matched that resulted in five great exhibition games. Keeping everyone to the timetable was a job very well handled by BooBoo and the driver.

The time spent in Interlaken and the fireworks on New Years' Day will be remembered for a very long time by all.

I would be pleased to recommend Jack Holmes Sport Travel to any team that is thinking of doing an overseas trip as a once in a lifetime experience for all players and parents.

Yours Truly
