

Our U14 hockey team had an amazing tour to Sweden and Finland with Sports Tours Europe. Jack Holmes arranged a perfect mix of hockey tournaments and cultural adventures. We played against top Scandinavian teams and visited stunning places. One of the highlights of our trip was watching the World Junior Championship live in Sweden.

The accommodation was comfortable and luxurious, the staff was helpful and friendly, the tour guides were informative and enthusiastic. Sports Tours Europe handled everything smoothly, from transportation to tickets, letting us enjoy our games and our trip. They went above and beyond to make our tour unforgettable and rewarding. We thank them for their professionalism and service, and we highly recommend Sports Tours Europe for any hockey tour.
