

OAKVILLE RANGERS MIDGET AA
CHRISTMAS TOUR 26TH OF DEC. 2018 TO THE 4TH OF JANUARY, 2019

Hi Jack,

Here is my feedback/testimonial that you can use freely.

I am the head coach of Midget AA team from Oakville Ontario. We organized a trip with Jack to Germany, Austria and Switzerland end of Dec - early Jan.

We had an outstanding trip and experience thanks to Jack. He traveled with us throughout the whole trip providing invaluable local support wherever we happened to be and whatever questions we might have had.

He has such a long experience organizing these kinds of trips that he truly masters the logistics, sights and special things to do in different locations.

He is originally Canadian but has lived in many European countries as a pro hockey player, pro coach and trip organizer. He currently splits his time between Switzerland and Sweden.

He knows all the key hockey people in different centers, good hotels and other attractions. Local hockey people we met spoke highly of him.

This combined with his knowledge of Canadian minor hockey system helped us to organize our games with the right level teams.

Both the players and parents really loved the trip and they will always remember it as once in a lifetime experience.

We could not have better hosting and support!

Thank you very much Jack
