Jack Holmes  
SPORT TRAVEL  
Ausserschwandstrasse 71  
3715 Adelboden  
Switzerland

Dear Jack:

As the Hockey Canada/GTHL Representative on the Tour and on behalf of the Minor Midget AA Mississauga Braves Team Officials, parents and players I would like to thank you for all your efforts in making our European experience a memorable one.

The itinerary was extensive and extremely enjoyable from the World Junior Hockey Championship games involving Canada in Paradubice, Czech Republic, to the walking tours of Prague, Czech Republic and Salzburg, Austria. The tournament games in Prague were scheduled to accommodate the needs of the participants on tour and allowed the team to experience the ambience of hockey in Europe. The trip culminated with a Bavarian buffet dinner at the infamous Hofbrauhaus in Munich, highlighting the brilliance of your itinerary. The trip was fantastic from start to finish.

I was very pleased with the organization of the trip and having Jack as a guide provided comfort and ease among all participants. Jack's resources and knowledgeable criteria made this trip an unforgettable experience. For future reference if any team from North America is interested in partaking in a European tour, I highly recommend Jack Holmes and the use of SPORT TRAVEL.

Thank you for your assistance and hope to see you soon, best wishes.

Yours in hockey,

Nick Mintsopoulos  
Manager, Game Officials  
Mississauga Hockey League
