Dear Jack,

I must thank you for the wonderful trip we had this year from Dec 26, 2006 to Jan 5, 2007. It was a once in a life time experience. All 50 of us have come away with memories that will last a life time.

Planning for such a large group I'm sure had its challenges for you, but as we went through the trip with little to no problems, demonstrates your administrative abilities. As you know we solicited three companies for our European hockey trip before choosing yours. Key factors in our decision making were :

What was included? (hotels, meals, events, etc.)
How many games will the boys get to play?
How many places will we get to see?
What is the total price?

You delivered on all accounts and we are extremely happy we decided to go with your services. I would be very happy to recommend your services to anyone thinking of taking a hockey trip to Europe.

Again, thank you for a wonderful trip and great memories.

Sincerely,

Brian Hughes
