Sports Tours Europe has been organizing hockey tours to and from North America for the past 30 Years. It all started with us taking European Teams to Canada in the Months of July and August made up of players from Switzerland, Germany, Austria and Norway which we did for 10 years. We were then contacted from Teams asking us if we could organize tours for North America teams wanting to come to Europe that we decided upon to do and have been ever since. Sports Tours Europe are now recruiting players and coaches from both Canada and U.S.A. whom are interested in joining a team and play in one of our **European Summer International Tournaments** or **Spring Break Tournaments** that we represent here in Europe.

All moves that you make from one location to the next is within 2 to 4 hour bus drive. Tour arrival and return Airport can be in the same Airport or can be arriving in one and returning in another Airport. As to flights, you can book your own flights as this can be much cheaper than Group flights so according to your Itinerary, you will see all this info as to arrival and return Airport. It has been in the past that so people prefer to arrive earlier or return later giving them more time in Europe.
